Discussion Questions:

1. What are one or two things that stood out to you in the conversation between Crawford and Andy?
2. Crawford and Andy talked about the difference between believing things about Jesus and following Jesus. How would you describe the difference? Do you think it is an important distinction? Why or why not?
3. Read Galatians 2:20. What would this “all in” with Jesus look like in your life this week?
4. Near the end of the conversation Andy said, “...anybody who volunteers in any local church, they've given up something, individually in order to do something extraordinary, corporately.” Can you explain what you think he meant and have you ever experienced this?
5. How can your group pray with you this week?
